

# Making life easier

## Comprehensive range

Omni Healthcare stocks an extensive range of quality products for the aged care and rehabilitation markets. Items such as mobility, bathroom, bedroom and pressure care aids, aids for daily living, incontinence products, wheelchairs, scooters and a broad range of furniture specifically designed for the aged.

## Our showrooms

Our large showrooms feature an organised and effective display of our extensive product range. Browse in your own time or be assisted by our friendly and knowledgeable staff. We are always happy to help you in selecting the product most suited to your needs.

## Equipment trials

Omni Healthcare offers free no obligation trials in store as well as home trials for select products.

## Handyman service

Omni Healthcare provides a home modification service specialising in home access and fall prevention solutions. We supply and install bathroom grab rails and lift-off door hinges. We also manufacture and install access ramps, steps, bannister rails and chair raisers.

## Quality systems

Omni Healthcare is quality accredited (ISO 9001:2008) and a member of the Assistive Technology Suppliers Australasia (ATSA) industry group.

To cater for clients with short-term needs Omni Healthcare provides an extensive range of products for hire, including bathroom and bedroom equipment, walking aids, crutches, wheelchairs, seating and pressure care equipment.
